

KNEE PADS

The Proto Knee Pads have the answers you're looking for. Abrasion resistant ballistic nylon can take heavy abuse and still provide total protection. The unique design of the outer layer of padding allows for maximum range of motion without cutting off circulation. Breathable 4-way stretch backing helps keep you cool and keep your pads in place so they stay where they need to be.

**AVAILABLE IN S, M, L, XL.

PROTO HARNESS

Completely designed from the ground up by paintball professionals that want a total solution to all pod problems. From this, the Proto Harness was born. Anatomically correct back padding system allows for a completely uninhibited range of motion, while still providing the level of comfort every player is dying to have in a harness. Designed to be worn around your waist to provide you with extra back support. Elastic straps to help release pods into your open hand. No detail is missing. Micro-mesh venting in the back panel and vented elastic to keep the heat off when the pressure is on. Aggressive Velcro® pattern and wider elastic positioning ensure a non-slip fit.

AVAILABLE IN 3, 3+2, 4, 4+3 CONFIGURATION.

PROTO PAINTBALLS

Proto Paintballs are professional grade paintballs that define accuracy. Designed and manufactured to meet a higher standard, Proto Paintballs are for paintball enthusiasts that are serious about their game. Proto paint is extremely round and has a high visibility fill as well as excellent mark ability. Proto paint breaks on target, not in your marker. These quality features combined with supreme accuracy make Proto Paint the choice of the pro's.

GEARBAGS

PROTO GEAR BAG

A pimp house on wheels – that's what we were going to call this bag, because it can hold that much! The king of all paintball gear bags, we've even rolled out the red carpet on this one with a new fold down tool workstation. Your friends will bow down when they see how much this bag carries, 'cause they know you'll have lots of extra gear in there that they can borrow. Heavy-duty industrial roller wheels and a telescopic pullout handle making travel a breeze; roll in and roll out. Also includes a padded shoulder strap, ID pocket, vented zipper side pockets and interior padded gun sleeve with barrel loops.

PROTO DUFFLE BAG

The Proto Duffle Bag is perfect for keeping all your gear in one place. Designed for the active player and making those weekend practices easy, just grab your duffle bag and go. Huge end pockets keep your dirty bits away from your clean bits, and are big enough to hold your goggles, cleats, harness and more. With Velcro® closure handles and padded shoulder strap, you can make your little brother carry it for you!

This heavy-duty, reinforced ballistic nylon bag includes an interior padded gun sleeve with barrel loops, vented zipper side pockets, an ID pocket and the same money style as the rest of the gear line.

PROTO BACKPACK

The Proto Backpack has enough space for a full day of paintball. With a huge full zipper main compartment, just throw in your gear and go. The heavy-duty reinforced ballistic nylon construction and padded gun sling with barrel sock, protects all your goods. Features include expandable mesh side pockets, an interior stash pocket with removable key ring, a laptop pocket, and a lined MP3 player pocket with audio port – because we know how you like your pre-game adrenaline music. It's got that Proto style with embroidered and silk-screened logos. Mask, marker and carabineer not included.
